Dear Ms. Ackerman:

Public Service Company of Colorado (PSCo) representatives met with the Fiechtners on August 24, 1995 to discuss their concerns about odor problems from water discharged from New Lake Thomas. Please find attached a letter to the Fiechtners identifying PSCo's plans to investigate the problem to determine any corrective action. As the investigation proceeds, PSCo will keep all parties informed of our progress. If you have any questions concerning this letter or PSCo's activities at New Thomas Lake, please call Jesse Brungardt (303-620-1341) or me (303-294-2978).

Sincerely,

A handwritten signature in cursive script that reads "Alan Albrandt".
